The objectives to be achieved when fulfilling the duties of an External Examiner are:

- (1) To confirm the accuracy of the details recorded in the Law Practice Confirmation and Trust Money Statement by a principal of the law practice or approved clerk.
- (2) To ensure all records were properly and regularly maintained.
- (3) To ascertain the extent to which the law practice, barrister or approved clerk has complied with the requirements of the LPUL and Rules for trust money entrusted to the law practice, barrister or approved clerk.

The approach to the examination and visits should be designed to form a view as to whether the LPUL and the Uniform General Rules (UGR's) have been complied with.

At the end of the External Examination process an examiner is required to express the following opinions that

- (1) an examination of the trust records of the Law Practice/Approved Clerk has been conducted based on appropriate examination and sample techniques for the year ending 31 March (in the relevant year)
- (2) nothing has come to attention that indicates the information recorded in the Law Practice & Approved Clerk's Confirmation (Part A) and the Statement of Trust Money – Law Practice & Approved Clerks (Part B) is not true.

Mandatory Qualifications

To be appointed as an External Examiner in accordance with Rule 65 of the UGRs a person:

- (1) must be a member of one of a number of accounting bodies, which are listed in the Uniform General Rule 65 set out above OR
- (2) must be a person registered as an Auditor under Part 9.2 of the Corporations Act; and/

Previously appointed External Examiners

There is at present no provision in the process for approval by the LSC or its delegate for recognition of the status of persons who may in the past have undertaken external examinations of law practices. The reason for this is that section 156 of the Uniform Law provides that only persons designated under the Uniform General Rules (i.e. UGR 65) may be appointed as external examiners and clause 20 in Schedule 4 has the effect that previous appointments cease, as indicated above.

The assessment questions used by the DLRA are to be approved by LSC annually and may be varied by the LSC or its delegate from time to time as appropriate in consultation with the DLRAs.

Assessment structure

Candidates will be required to answer fifteen (15) questions drawn randomly from a larger pool of questions. The questions will potentially be drawn from each topic on the course.

Attendees are required to complete the assessment within the timeframe provided by the assessment module. If the applicant exits the module or does not complete the assessment, the results will be assessed on the responses entered at the time of exit.

A pass mark of 80% (i.e. 12/15) is required.

Candidates will be given three opportunities to attempt the complete assessment. If they do not successfully complete the assessment at the third attempt they will be required to make contact with the DLRA and discuss remedial activities prior to being granted access to resit the assessment.
